(1) **STAGE 1:** Examination of Request Documents (2018/05/01 – 2018/06/30)

- a. The application review period is between May 1st and June 30th, 2018. The Foundation will notify the applicant in July 2018 whether the Foundation will advance its authentication process to Stage Two, examination of the actual artwork.
- b. The applicant shall not modify the forms and content within this application. Violators' applications will be refused.
- c. Once submitted, the application will not be returned, regardless of the result from Stage One review.

(2) **STAGE 2:** Examination of WORK (80 working days)

Submittal Period: The Foundation will notify individual applicant with detailed instruction for stage two authentications.

- a. WORK – Delivery of the WORK and provision of the original Certificate of Authenticity from previous owner(s)
 - (a) The WORK shall be delivered to the designated location within the designated period of time for examination by the Foundation. Should the Owner failed to deliver the WORK within 3 working days after receiving the relevant reminder from the Foundation, the Foundation may forthwith terminate all subsequent operation of the authentication, in which case, no payments received from the Owner will be refunded.
 - (b) The Foundation will receive and examine the WORK only. Owner(s) are advised to remove all objects (if any) attached to the WORK in advance (such as the frame).
 - (c) Upon receipt of the WORK delivered by the Owner or its designate (with a Letter of Authorization duly signed by the Owner in the Foundation-prepared template or otherwise), the Foundation will issue the evidence of receipt addressed to the Owner, which evidence must be presented to the Foundation to retrieve the WORK.
 - (d) If Certificate of Authenticity from previous owner(s) are available, the original copy is required.

- (e) During the period in which the WORK and original Certificate of Authenticity from previous owner(s) are retained at the Foundation, the WORK and Certificate shall be protected with existing security measures. - b. WORK – Retrieval of the WORK and original Certificate of Authenticity from previous owner(s)
- (a) Within 10 working days of receiving phone notification from the Foundation, the applicant shall retrieve the WORK and original Certificate of Authenticity from previous owner(s).  - (b) In the event that the applicant is unable to retrieve the WORK within the above referenced time frame, or that the Foundation deems necessary to extend the duration for retaining the WORK and original Certificate of Authenticity from previous owner(s), both parties shall be notified of the reason and length of extension. Once the retrieval date is confirmed by both parties, the Foundation shall not be responsible for the security of the WORK and original Certificate of Authenticity if the applicant fails to complete the retrieval within 10 working days after the extension ends.
- (3) **STAGE 3: Authentication Report (30 working days)**
